How to use the WORD Study Format

The WORD Study Format was designed to help you and your Bible Study / Discipleship Groups dig deeper and apply the truths from our Sunday sermons / teachings into our lives. To use this, follow these 5 steps:

1. WORSHIP: Begin by taking time to give thanks and worship God. You can opt to sing as you begin your time with God. Below the WORSHIP section are songs you can sing or play on YouTube, Spotify, etc. You can however worship on your own.
2. OPEN with a prayer. If you're in a group, you can use the "ice breaker" question in the section to begin your study.
3. REVIEW the topic. Go through the Bible passage and notes by yourself and with your group. You can opt to look at the teaching for which this study was based on our Facebook live page.
4. DIG into the passage. Look at the passages or verses which speak to you. If you're with a group, use the TALK IT THROUGH questions with them.
5. Finally, put what you've learned into ACTION. Write what you've learned in a journal. Share it with others. Pray to apply what you've learned in your life.
